

AMBERLEY VILLAGE
2025 INDIVIDUAL INCOME TAX RETURN INSTRUCTIONS

Amberley Village has a **MANDATORY FILING** requirement. All residents, unless under 18 years of age, are required to file an Amberley Village income tax return by **April 15, 2026, for tax year 2025**. Filing is required even if no Federal or State return is filed, or no tax is due. Non-residents operating a business or who own rental property within Amberley Village are required to file an income tax return.

Extension Requests – An extension for filing your federal return will apply to Amberley Village. If a federal extension is not granted you may request an extension with Amberley Village. When filing - **Include a copy of the extension with your return.**

Tax Payment – Payment of tax is due on April 15, 2026. An extension to file is NOT an extension to pay the tax liability. Penalties and interest will apply to past due amounts.

Estimated Payments – First quarter 2026 is due April 15, 2026. Subsequent payments are due June 15, September 15 & January 15.

**** Complete worksheets on page 2 before entering data on the Individual Income Tax Return ****

Worksheet A: This worksheet will assist you to calculate taxable wages and credit allowed by Amberley Village for tax paid to other municipalities. List each W-2 on a separate line. Include household employee withholding in column 3 if applicable.

Boxes A through E – enter the name of employer as shown on the W-2.

Column 1 – enter the city of employment from box 20 of the W-2.

Column 2 – enter the greater of the figures from box 5 or box 18 on the W-2.

Column 3 – enter Amberley Village tax withheld from box 19 on the W-2; include household employee withholding if applicable.

Column 4 – enter tax withheld for another city/municipality from box 19 on the W-2. If multiple work cities/municipalities are reported on a single W-2, enter data for each location on separate lines. No credit is allowed for school district tax. If you received a tax refund from another city for which credit is being allowed, then reduce the credit by the amount of the refund.

Column 5 is a calculation – multiply taxable wages in column 2 by 2.0% and enter the result on the worksheet.

Column 6 is a comparison – enter the lesser of the figures from column 4 or column 5.

Calculate totals for columns 2, 3 and 6. Transfer totals to the income tax return as noted on the worksheet.

Worksheet B: Enter data for all applicable schedules. **Note: Losses on worksheet B do not offset wages on worksheet A.** Gambling and lottery winnings are taxable however gambling/lottery losses do not offset those winnings. Credit up to 2.0% is allowed for municipal tax withheld on gambling/lottery winnings if documentation of withholding is provided. Transfer Total Other Taxable Income from box 10 to page 1, box 2 of the income tax return as noted on the worksheet.

Schedule H: Amberley Village allows residents to file and pay household employees' Amberley Village withholding tax with their personal tax return. Enter data to schedule H then transfer total to page 1, box 3 of the income tax return as noted on the worksheet.

2025 INDIVIDUAL INCOME TAX RETURN
