

Health, Education and Welfare Committee

Minutes from November 7, 2012

In attendance: Natalie Wolf committee chair, Ed Hattenbach & Tom Muething committee members, Steve Rasfeld Public Works Supervisor, Scot Lahrmer Village Manager, Bill Doering

The meeting was called to order by chairperson Wolf. Minutes from October 9, 2012 were approved.

Village Manager Scot Lahrmer requested that the committee convene in order to present the proposed contract from the Center for Local Government regarding the award of low and best bid for solid waste collection for the consortium. A rate will be set in December.

Three bids were presented; the best bid was from Rumpke for years 2013, 2014, 2015. Included are basic trash and recycle w/ 64 gallon wheeler recycle bin included @ \$11.80/month. GCWW billing overhead @ \$797/month; dumpster service @ AG included; recycle dumpster at Village Hall included; port-a-potty at AG @ \$155/month; monthly cost \$16,894/month for total annual cost of 3yr contract @ \$202,728/yr. This is nearly \$18,000 less than our current contract with Rumpke and nearly \$25,000 less than our Rumpke contract would be for 2013 if we did nothing.

The committee voted unanimously to approve presenting the SWORRE bid to Council. The meeting was then adjourned.

Respectfully submitted,

Natalie Wolf, Vice Mayor

HEW Committee Chair
